The Federal Aviation Administration is investigating whether documents were falsified pertaining to the use of titanium in the manufacture of some airplanes by Boeing and Airbus, the New York Times [reported](#).

06/18/2024 | Insider Travel Report | [Why Supersonic Passenger Flight Will Soon Be a Reality in the U.S.](#)

Boom Supersonic, the company building the world's fastest airliner, held a ribbon-cutting ceremony yesterday at the Overture Superfactory, celebrating the completion of construction. Located at the Piedmont Triad International Airport in Greensboro, N.C., the Overture Superfactory is the first supersonic airliner factory in the United States. Overture is Boom's supersonic airliner, capable of flying twice as fast as today's commercial planes on up to 100 percent sustainable aviation fuel (SAF).

06/18/2024 | Insider Travel Report | [How Wheels Up Is Making It Easier to Book Flexible Private Jet Service](#)

Wheels Up Experience Inc., which provides seamless global aviation solutions across private and commercial travel, unveiled a streamlined product portfolio. Working with strategic partner Delta Air Lines, Wheels Up can now provide an even greater level of flexibility to meet the needs of today's most discerning travelers. This new product model offers simple solutions and unique incentives that maximize ease and choice while maintaining the highest standards of operation and safety for first-time and experienced private fliers alike.

06/21/2024 | Insider Travel Report | [U.S. Travel Agency Air Ticket Sales Surpass \\$9 Billion in May 2024](#)

Airlines Reporting Corp. (ARC) released data showing May air ticket sales totaled \$9 billion for U.S. travel agencies, a 1 percent decrease month over month from April 2024. Passenger trips totaled 25.7 million, which included a 10 percent increase in U.S. domestic trips and a 2 percent increase in international trips.

06/14/2024 | World Economic Forum | [It's been a record-setting year for global travel – here's how we make tourism inclusive and sustainable](#)

The global travel sector forecast is in and it's sunny skies ahead. Through March 2024, consumer spending on travel remains strong, and passenger traffic has soared. Empowered by a strong labour market worldwide, tourists will be on the roads, air and seas once again, with more of people's budgets on travel.

06/17/2024 | Insider Travel Report | [Is Gen Z Now Leading the Way in Travel Ambitions?](#)

Forget Gen Y and Gen X, it's all about Gen Z, at least for travel. A new national survey from Washington State University shows Gen Z leads other generations in travel ambitions, though nearly all Americans say rising costs will impact their plans and a majority fear AI will impact industry jobs.

06/17/2024 | Insider Travel Report | [Stats: Summer Travel Stays the Course Amid Pricing Pressures](#)

According to **Deloitte's** 2024 summer travel report, many Americans are staying the course with their summer travel plans. Amid rising prices, Americans still value their travel plans, as 48 percent of those surveyed plan to travel and stay in paid lodging, on par with last year, but take fewer vacations overall this summer.

06/18/2024 | Insider Travel Report | [What Millennials and Gen-Z are Spending Big on This Season—You Guessed It!](#)

We just finished writing about another survey showing **Gen Z is leading the way in travel ambition** and now comes an American Express poll showing very much the same thing. The Amex Trendex Millennial and Gen-Z Summer Spotlight Report, based on a survey of U.S. consumers, found that Millennial and Gen-Z respondents want to dine out, travel and pursue memorable experiences this summer and are prioritizing spending habits that make room for what they love most.

06/20/2024 | Insider Travel Report | [New ETC Survey: What Travelers to Europe Will Focus on This Summer](#)

Enthusiasm for travel to Europe is rising in key international markets, with 59 percent of respondents interested in overseas trips for summer 2024—a notable 9 percent increase compared to 2019. Europe's appeal is gradually picking up, albeit at a slower pace, due to security and affordability concerns. Nevertheless, Europe remains a top destination choice, with 41 percent of surveyed individuals planning to visit this summer, down 4 percent from 2019 levels.

06/24/2024 | Insider Travel Report | [What's the Latest Company to Enter the Race for Space Tourism?](#)

Space travel has been all the rage for the past 10 years, as new vendors enter the market promising ever more affordable possibilities for those interested in journeying above the Earth. We've had Sir Richard Branson's Virgin Galactic and Space Perspective, both of which cater to the new breed of space tourists.

06/24/2024 | Insider Travel Report | [What Country's Citizens Take the Fewest Vacations in the World?](#)

The answer to that question sadly may not surprise you. According to Expedia's 24th annual Vacation Deprivation Report, released last week, roughly half of Americans don't plan on using all their time off this year (53 percent), despite receiving just 12 days off annually—the fewest of any country surveyed.

06/24/2024 | PhocusWire | [Nearly Two-Thirds Who Use Social Media For Trip Planning Make A Decision Based On That Content](#)

Once consisting of simple sites used to post life updates to family, friends and acquaintances, social media is now a thriving ecosystem of users, brands and influencers. Almost 17 years after Facebook first introduced advertising, social media marketing and social commerce's star continues to rise. Marketers have flocked to social media to be where their customers are, fiercely strategizing to pull prospective and existing customers into their funnel.

06/28/2024 | Insider Travel Report | [Why International Vacations Are on the Rise for Americans This Summer](#)

MMGY released updated findings from its quarterly research study, "Portrait of American Travelers," delving into the preferences and behaviors of U.S. travelers. The report finds that international vacations are on the rise among Americans, with 8 in 10 interested in a trip abroad in the next two years. Other key takeaways include insights into travel intentions, road trips, popular domestic destinations, cannabis tourism and generational differences.

Sustainable, eco-conscious travel is here to stay, with eco-friendly accommodations, sustainable practices and community-supportive experiences leading the way. Balancing content about reducing your carbon footprint

and promoting sustainable activities is key. This includes cultural immersion experiences like agritourism and voluntourism, which are gaining popularity and engagement. Ethical travel continues to evolve, drawing increasing interest from travelers.

06/18/2024 | PhocusWire | [Sabre Hospitality Deploys First Generative Ai Tool](#)

Sabre Hospitality has launched a generative artificial intelligence driven tool to boost customer service for hotels. SynXis Concierge.AI is the hospitality division's first generative AI deployment and aims to provide hotels with detailed and accurate responses to their queries. The solution is being employed by Sabre's customer care and delivery team in the first instance to help them with hotel customer contact

06/20/2024 | SKIFT | [Here's How AI Can Help Fix Business Travel. Eventually](#)

Mastercard found that nine in 10 travel decision-makers plan on investing in AI and machine learning to improve processes and personalize travel for employees.

PORTUGAL NEWS

06/17/2024 | Luxury Travel Magazine | ['Good Morning America' is Visiting Portugal, but will they get it right?](#)

ABC's "Good Morning America" host Robin Roberts kicks off a week of live reporting from Portugal. But will she get it right? Here are 8 tips to help her and anyone enjoy the real Portugal:

06/17/2024 | Luxury Travel Magazine | [Europe without the crowds: Travelers say these are the best crowd-free spots this summer](#)

Europe's summer season is notoriously busy, hot, and crowded, but it doesn't have to be that way. I spoke with several travel experts who recommended these uncrowded alternatives to some of the continent's most popular cities. Here's where to go in Europe this summer without the big crowds.

06/20/2024 | Wall Street Journal | [Europe Has a New Economic Engine: American Tourists](#)

At bars, hotels and restaurants that line winding cobblestone streets, business is so good that Mayor Carlos Moedas recently slashed local income tax for residents. With economic growth of 8.2% last year and a 20% rise in tax revenue from prepandemic times, he's also made public transportation free for young people and the elderly.

06/25/2024 | AFAR | [6 Places You Can Visit for \(Almost\) Free on a Stopover Flight](#)

In recent years, more carriers have started offering airline stopover programs that encourage travelers to explore additional destinations along their journey, spending between 24 hours and 10 days (depending on the program) in a locale without incurring additional airfare charges. It's a more extended break in the itinerary than a layover, which generally refers to a relatively short stop between connecting flights. Stopovers are typically free to schedule and often include complimentary or heavily discounted hotel stays and on-ground transit. It's an opportunity for the airline to direct more tourism dollars to a capital city or flagship country and offer travelers the opportunity to visit multiple destinations for (more or less) the price of one.

06/27/2024 | Travel + Leisure | ['GMA' Host Robin Roberts Called T+L From Portugal — and Shared a Must-have Dessert, Favorite Sites, and More](#)

For most people taking a European vacation means a break from work, but for *Good Morning America* co-anchor Robin Roberts a summer trip to Portugal turned out to be a bit of a remote work situation.
